EXPERTISE

3x Emmy-Award-winning leader with expertise in AR, experiential, virtual production, animation, VFX, post production and emerging technologies. Experienced in building and leading high-performing teams to deliver groundbreaking work across entertainment, broadcast, experiential, and commercial production.

EXPERIENCE

2025 **Freelance** *Producer, Executive Producer, Project Manager*

Agency & vendor side freelance, contract, project-based and consultation work across AR & Experiential, Virtual Production, Animation, VFX & Post Production.

2025 **Silver Spoon** *Senior Director of Business Operations*

Emmy Award-winning virtual production studio specializing in real-time content and immersive experiences. Led production and organizational strategy.

Key Achievements:

- Operational leadership: Streamlined functionality across production, creative, technology, operations, finance, HR, and business development.
- Team leadership: Managed production, technology and operations departments. Oversaw company-wide resource management, scaling teams and cultivating an inclusive culture.
- Production oversight: Led production operations, ensuring timely and on-budget delivery.
- New business development: Enhanced company positioning as a global leader in real-time and virtual production.

2023 **Silver Spoon** *Executive Producer*

Led strategy, production, and client relations for Silver Spoon and its sister company, We Fly Coach. Positioned Silver Spoon as a leader in AR and virtual production, facilitating its 2023 acquisition by AE Live.

Key Achievements:

- Expanded service offerings from motion capture to live action, VFX, animation, and VP.
- Developed scalable project management pipelines for timely and on-budget delivery.
- Recruited and led top talent, fostering an inclusive culture focused on innovation.
- Built long-term, global relationships with clients, vendors, and freelancers.
- Represented Silver Spoon at industry events & PR, enhancing visibility as a VP innovator.

2019 **We Fly Coach** *Executive Producer*

Led strategy, production, and client relations for We Fly Coach, a full-service commercial production company. Guided the company's growth and merger with Silver Spoon in 2019 by facilitating the consolidation of services, clients, and employees into a unified team.

Key Achievements:

- Led a global team producing projects across live action production, post-production, VFX, and animation.
- Directly managed project bidding, budgeting, and resource allocation.
- Expanded services to include motion capture and Unreal Engine-based production.

PREVIOUS EXPERIENCE

2016 **Animated Storyboards** *Senior Producer*

Oversaw creation of advertising test materials for clients in North America, Europe, and APAC.

2015 **Norton Agency** *Creative Producer*

Produced integrated commercial materials, including live action, print and digital.

2012 **Misix, Inc.** *Manager of Design Services*

Built creative and production pipeline, and managed staff of designers and developers.

2008 **Mader Communications** *Graphic Designer • Traffic Manager*

Managed workflow through the agency. Designed print, web and digital materials.
